CHICAGO.

Cimexon, Ltm., Doc. 18, 502. Entrop Harrison Reports and Possibly a letter from this "ill maker City,25 permed by a circles of Ohio county in the Hartford Resputiesan, to a considerable number of the read ers. By reason of the approaching World's Fals here, home from this point are now usually read with more relish than in former days.

It is granifying to every patrioti Columbian Exposition which will add to our character abroad, and self-ure probation at home is now we might say an accomplished fact. Notwith-W. L. Bouries, thruchan, Mass., south, standing the many hitches bicketings L. F. W. M. L. Hartford, Ky. work goes on. The Ways and Means Committee of the World's Pair has been severely consured. Many unnleasant insimuations included in, iss pecially in connection with the award ng of the Conkey Catalogue Concess sion, but none openingly needs them as a body or nov Individual among eruption. It is highly prob able, however, that the high standing of the parties of which the committee is composed, their business relations and standing, mone of them, too,bays ing heretotore occupied positions of trust, and acquitted themselves with honor, may have much to do with

mothering the storm. Changoans think that uside from the Conkey Catalogue Concession that there are charges which can justly be brought against them as a body of arrogance and cruel indiderence to the public whose money they are spending, and in many cases agnoring, or neglecting the right of the people who seek World's Fair Concessions from

The Chicago Post says: "The board of directions including all the committees, has conducted its business in star-chamber tashion from the start, and seems to be utterly unnumiful of the mer that it had in control and was spending \$11,000,000 of the people's noney. Representatives of the press were excluded from the beginning and only such information as the directors chose to give has been made public." The excluding of reporters for public not merease the popularity of the Commission with that all powerful class of men who have so much to do with shaping public opinion. But the murmuring is not alone from journalistic sources, all classes, trades and professions here join in it to some ex-

The Work of the Ways and Means committee involves negotiations with people having plans which they wish carried out for the benefit of both the Fair and themselves. In conducting this business the Committee has involved the Fair in some difficulties, and incurred the displeasure of personal concessionists. People have been kept waiting week after week and month after month for decisions on questions that ought to have been settled in a few days. But after all the World's Fair work proceeds and

will be a success. Just now another question is up for for Chicago people to talk over, and in all probability it will not stop with the talk for if you want to find push, enterprise, industry and indomnitable perserverance you need not go further than Chicago to find it.

make their ideal lake front and lake Eva Butler. park?" Undoubtedly nature has done much for Chicago but a little concession upon the part of the Illinois Central Railroad who owns a right of way along the lake front, and a few thousand dollars would make it the finest and loveliest lake front park in America Already they have one, the Lincoln Park which is truly lovely, and add to it another, stretching away for a great distance, with its inviting shade, graded walks, varegated flowers, and singing birds, would in- many delights ere the holidays are at | Bro.'s Drug Store,
